

CONTRACTOR TOOL / LOCAL WEB APP

Radiant QuikPay

100% local payroll for the small consulting LLC — no cloud, no subscription.

Who it's for: Built for independent consulting physicists running a small LLC who want payroll handled in-house.

KEY FEATURES

- **Withholding Engine.**
Federal income tax (IRS Pub 15-T) and Ohio income tax, plus Social Security and the Medicare surtax.
- **Encrypted at Rest.**
Employee SSNs AES-256-GCM encrypted before they are written; the running app makes zero network calls.
- **Year-End W-2.**
W-2 boxes per employee plus employer totals, exported as CSV ready for your CPA.
- **Pay Stubs & Ledger.**
Printable per-period stubs with this-period and YTD columns, and a full pay-run ledger with CSV export.
- **Employer Taxes.**
FICA match, FUTA, and Ohio SUTA tracking for Forms 941 and 940, with CSV export.
- **Owner Draws.**
Logs LLC owner distributions separately from W-2 payroll — not wages, no withholding.
